Snellville Recycling Center

Our state-of-the-art Recycling Center is located at 2531 Marigold Road, off Lenora Church beside Briscoe Park. Hours are 8 a.m. to 5 p.m., Monday - Saturday. Everyone is welcome to use the recycling center. There are restrictions for disposal of yard debris and junk.

Scan for more info on the Snellville Recycling Center, including a list of items that can and can't be recycled.

Bulk Item Pickup

Residents can dispose of two bulk items each week in addition to regular garbage pick up. Bulk items are household items that cannot reasonably be placed in a 95-gallon garbage cart. See below for a list of unaccepted items. Call 770-985-3527 to schedule a bulk pickup.

Examples of Items Not Eligible for Bulk Item Pickup

- Tires
- Batteries
- Yard debris
- Construction materials
- Propane tanks
- Windows, mirrors, and panes of glass
- Swing sets
- Doors
- Trampolines
- Toilets
- Wooden pallets
- Basketball goals
- Cardboard boxes
- Contruction/remodeling materials

Household Garbage

All trash must be bagged and placed in the trash cart with the lid closed, and put at curb by 6 a.m. to be picked up on your service day. Bagged trash doesn't count as a bulk item and if it is left outside of the cart, it will not be picked up.

Second Trash Cart and Curbside Recycling

Sign up for optional yearly subscription-based service that runs from May 1 to April 30 of each year by calling Public Works.

Sign up anytime during the year at a prorated rate. The cost is $144 annually for curbside recycling and $120 for an additional trash cart. You may sign up for both services.
