Requested Special Use: Private K-8 Christian School Specific Use Standards are Applicable: YES NO

This SUP application is also being filed along with applications for: Rezoning Land Use Plan Amendment None

Present Zoning District Classification: RS-30 Present Future Land Use Classification: Public-Civic
Proposed Zoning District Classification: No change Proposed Future Land Use Classification: No change

Property Street Address: 2925 Main St. W Snellville, GA Acreage: 4.462 Tax Parcel No.: R5007 004A

APPLICATION FEES: Please see the Planning Department Fee Schedule for application and public notification fees.

SPECIAL USE: A use which while not permitted as a matter of right may be allowed within a given zoning district when meeting standards as prescribed by this UDO. Special land uses have operational characteristics and/or impacts that are significantly different from the zoning district's principal authorized uses and therefore require individual review pursuant to the standards and criteria set forth in this UDO.

UDO Sec. 103-10.1. General: Special use permits are intended as a means for the City Council to authorize certain uses that are not permitted by-right in a zoning district. Special use permits may be subject to meeting specific standards by Chapter 200 Article 6 (Use Provisions), but still require individual review by City Council because of the increased potential for incompatibility with its immediate neighborhood.

UDO Sec. 103-10.2. Application Requirements

- A. Each application for a special use permit must be filed with the Department and must include the following:
 1. Payment of the appropriate application and public notification fees.
 2. A current legal description of the site. If the site includes multiple lots, provide a separate legal description for each individual lot, together with a composite legal description for all lots.
 3. One (1) original and ten (10) copies of the property boundary survey. In addition, a digital copy in .pdf format must be submitted using email, flash drive, or other means approved by the Director. The survey must have been prepared by a registered land survey no more than 12 months before the date of application submittal.

CERTIFICATIONS

APPLICANT'S CERTIFICATION

The undersigned below does hereby, swear or affirm under penalty of perjury under the laws of the State of Georgia, is authorized to make this application for a Special Use Permit and that the statements and documents submitted as part of this application are true and accurate to the best of my knowledge or belief. The undersigned is aware that no application or re-application affecting the same land shall be acted upon within six (6) months from the date of last action by the Mayor and Council.

I, the undersigned applicant, understand and agree that the Special Use Permit, if approved, shall automatically terminate if the event that this property is sold, transferred or otherwise conveyed to any other party, or the business which operates the special use is sold, transferred, or otherwise conveyed or discontinued.

A Place where we lift up the name of Jesus

John Weldon, Pastor

Dear City of Snellville Planning and Development Staff, Planning Commission,
and Mayor and Council,

On behalf of Westside Baptist Church, I am writing to express our full support for the proposed relocation of Parkview Christian School, soon to operate as Pinnacle Christian School, to our church facility located at 2925 Main Street West in Snellville. Westside Baptist Church understands that Parkview Christian School is seeking the appropriate zoning approval, including a Special Use Permit or any related approval deemed necessary by the City, to operate a private K-8 Christian school within designated areas of our existing facility. We support this application and desire to work cooperatively with the school and the City of Snellville to ensure that the proposed school use is safe, orderly, compatible with the property, and beneficial to the surrounding community. Parkview Christian School is a nonprofit religious school that has served children and families for over thirty years. Its mission is closely aligned with the values and ministry purposes of Westside Baptist Church. We believe that providing a Christ-centered educational environment for students is a meaningful and appropriate use of our campus during weekday hours, especially since the church's primary worship and ministry activities occur outside of the regular school day. The school's proposed use of our facility is intentionally limited and structured. During weekday school hours, the school will have exclusive use of designated school classrooms and support areas. Westside Baptist Church does not anticipate any regular church ministry activities occurring during school hours that would interfere with school operations, student safety, parking, traffic circulation, or supervision. We also understand that parking and traffic flow are important considerations for the City. Westside Baptist Church has approximately 110 on-site parking spaces, and the church's primary parking demand occurs during weekend worship services. The school's regular operations would occur during weekday daytime hours, creating a complementary use of the campus rather than a conflicting one. We support the school's plan to direct families to enter through the McGee Road entrance, proceed toward the rear of the building, and use a supervised carline system designed to keep vehicle stacking on site and minimize any congestion along Main Street West/U.S. Highway 78. Westside Baptist Church is willing to cooperate with the school and the City regarding reasonable conditions of approval related to designated school-use areas, operating hours, parking, traffic circulation, signage, fencing, building safety, and any required inspections or approvals.

2925 W Main Street Snellville GA 30078

770-972-3800

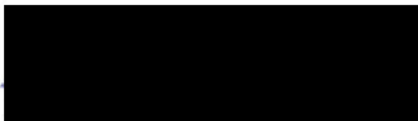

A Place where we lift up the name of Jesus

John Weldon, Pastor

We also understand that any interior updates, exterior fencing, or signage must comply with applicable City requirements. We recognize the urgency of this request. Parkview Christian School has been unexpectedly placed in a position where it must relocate from its long-time home in Lilburn, and approximately 90 students and their families are depending on the school to provide a safe, stable, caring, and loving educational environment when the school year begins in August. Westside Baptist Church desires to be a helpful partner in serving these children and families and in supporting a positive educational opportunity within the Snellville community. Accordingly, Westside Baptist Church supports the requested Special Use Permit and any related relief or approval necessary to allow Parkview Christian School to operate within our existing church facility. We authorize Parkview Christian School / Pinnacle Christian School to submit the necessary application materials for this proposed school use and to work with City staff through the review and approval process. Thank you for your consideration. We are grateful for the City's guidance and are committed to working respectfully and responsibly through the appropriate process.

Sincerely,

John Weldon
